

UK FACE PLATE HDMI/USB PORT

Norden HDMI & USB port face plate is perfect for the transition to in-wall cabling. The solution offers a clean, professional look and is ideal for classrooms, conference rooms and houses of worship. This UK style face plate includes flexible pigtails that accommodate the tight bend radius required for installations within a standard junction box.

FEATURES

- Helps to keep cable organized out of sight & behind the wall.
- Single & dual port options available.
- User support USB 2.0 & HDMI 4kx2k.
- 17cm cable length.
- Practical design makes the face plate an ideal solution for HDMI or USB Cable extension for home & business location.
