

NVS-40020111PL

1U CD player with USB/FM/Bluetooth

DESCRIPTION

The NVS-40020111PL is an audio player with CD playback, radio and Bluetooth function. It supports a range of audio playback, including CD, USB, SD, Bluetooth and radio signals and also features full light touch button control and blue LCD display with high brightness to display clear working status of the audios. It also has one-way mixed output, one-way Bluetooth output, one-way radio signal output, one-way CD/MP3 audio output, and the mixed output supports simultaneous output of three-way audio of Bluetooth, radio signal and CD/MP3, which meets various requirements in the application scenes.

FEATURES

- ◉ Full light touch button control, blue LCD display with high brightness and clear screen
- ◉ With MP3 player, built-in USB interface, SD slot, CD disc tray
- ◉ High-end CD suction movement
- ◉ Bluetooth function;
- ◉ CD/MP3/MP4/VCD/DVD playback function
- ◉ Built-in radio function, digital radio module with high sensitivity
- ◉ With automatic search radio and storage function, AM/FM radio can store 40 stations respectively
- ◉ The radio has a power-off memory function, which can start to work automatically after powered on

Specifications

Model	NVS-40020111PL	
Laser Player	Maximum output voltage 1KHz -10dB signal	1000±100mV
	Frequency response range	20-19KHz(±1dB)
	THD	≤0.3%
	Noise	≤0.02mv
USB	Maximum output voltage	1000±100mV
	Frequency response range	20-19KHz(±1dB)
	THD	≤0.3%
	Noise	≤0.02mv
SD	Maximum output voltage	1000±100mV
	Frequency response range	20-19KHz(±1dB)
	THD	≤0.3%
	Noise	≤0.02mv

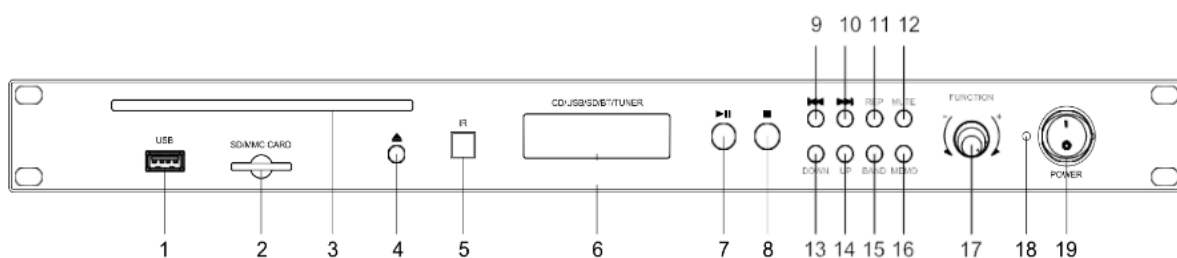

NVS-40020111PL

1U CD player with USB/FM/Bluetooth

Specifications

Model	NVS-40020111PL	
Bluetooth	Maximum output voltage 1KHz -10dB	1000±100mv
	Frequency response range	20-19KHz(±2dB)
	THD	≤0.3%
	Noise	≤0.06mV
	Distance Best within	10M
Radio function (FM/AM)	Maximum output voltage	1200±100mV
	Amplitude limiting sensitivity	-80dB
	Frequency response range	40-10KHz(±3dB)
	Distortion	≤0.2%
	SNR	≥60dB
	Store/Memory function	40 pcs
Protection	AC fuse	
Power supply	AC110-120V/60Hz/35W AC220-240V/50Hz/35W	
Outer packing dimension (mm)	(L×W×H) 534×350×110	
Machine dimension (mm)	(L×W×H) 483×210×44	
Gross weight	4.4kg	
Net weight	3.65kg	

FRONT PANEL

NVS-40020111PL

1U CD player with USB/FM/Bluetooth

REAR PANEL

1. Power outlet
2. AC110V/220V Option Switch
3. Bluetooth Antenna
4. FM Antenna Input Interface
5. AM Antenna Input Interface
6. Alternative Output Interface
7. Bluetooth Output Interface
8. Radio Signal Output Interface
9. CD/MP3 Output Interface

ORDERING INFORMATION

Part Number	Description	Standard Quantity
NVS-40020111PL	1U CD player with USB/FM/Bluetooth	01

ACCESSORIES INFORMATION

Description	Standard Quantity
5x19 whole machine fixing screw	04
SY542 wire(AV terminal audio wire)	01
FM antenna	01
Plastic washer	04
AM antenna and antenna mount	01
2.4G Bluetooth antenna	01
Remote Controller	01
Power cord	01
User manual	01
