

IP65 POLE MOUNT CABINET WITH AC

The IP65 Pole Mount Double Wall Structure Cabinet with AC is a durable and reliable solution for outdoor installations, featuring a zinc-plated, double-wall structure for enhanced protection and thermal insulation. It includes a front single door with a secure front-point lock and an air conditioner unit to maintain optimal internal conditions. Designed for pole mounting, this cabinet ensures easy installation and provides IP65-rated protection against dust and water, making it ideal for telecommunications, data, and electrical applications.
